FAZANVEJ 18-20
DK-3200 HELSINGE 3200

Person with Management or Control
SAMSAM TOURANIAN

TA6613 Design Registration Number
30/11/2017 Design Registration Date

PRESSURE EQUIPMENT

Pressure Vessel Type	PROCESS VESSEL
Hazard Category	C
Contents	GAS
Identification Name	PSA20 VESSEL
Design Pressure (MPa)	1.19
Volume (Litres)	20
Design Temp (Deg C)	-20 TO 60

DRAWINGS

PSA20 VESSEL
1241-2 REV 5

- This registration applies only to the design described above in accordance with the Work Health and Safety Regulations 2012
- WorkSafe Tasmania reserves the right to audit the registered design at any time to assess compliance with the Act and Regulations. If an audit is undertaken, detailed information may be requested relating to the design of the plant. If an audit identifies non-compliance, all plant built to that design may require modification and in some cases, may be prohibited from use..
- This registration is automatically invalidated if the design is altered to an extent that requires new measures to control risks. A person must not use or allow or direct a worker to use plant manufactured to the original design if the design has altered, unless WorkSafe Tasmania has been notified of the design alteration.
- The design registration number should be quoted in all correspondence to WorkSafe Tasmania.
