

EU TYPE EXAMINATION CERTIFICATE – Production type In accordance with the requirements of module B of the Pressure Equipment Directive 2014/68/EU		Certificate N° 16/DK/3934-3 Rev.0
Manufacturer	Name	OXYMAT SLOVAKIA s.r.o
	Address	Vad'ovce 87 SK – 91613 Vad'ovce SLOVAKIA
Description : See annex		Equipment : / Assembly of : Yes Module : B
Drawing numbers : See technical files		
Maximum allowable Pressure (PS) : 10 barg/14 barg depending on version 230 barg (filling ramp) NB: N2 filling ramp not covered by this certificate and 14 barg PSA only available for N2		
Minimum / Maximum allowable temperature (TS) : See files		
Safety valves Capacity : Various : see files Set pressure : 10 barg/14 barg depending on version		
Hydrostatic test Test Pressure /		
<p>The manufacturer is allowed to affix the CE mark + Nobo identification number to approved equipment in the conditions described in article 19 of the Directive, only if the requirements stated in modules (D or F) are fully complied with.</p> <p>The approval is valid until : various : see annex</p>		
Apragaz, acting within the scope of its notification for the purpose of the European Council Directive 2014/68/EU, certifies that the type of concerned equipment conforms the requirements of the Pressure Equipment Directive 2014/68/EU and the relevant requirements of the standards and codes referred in the technical file on basis of the documentation and samples supplied for review and approval.		
Approval date : 02/12/2022	Name : B. Nève, ir.	Position General Manager
Notified body identification number : 0029		Signature
Notified body :	APRAGAZ VZW / ASBL	
Notified body reference :	P17034/001, P17034/002, P17034/005
